

## Stedham with Iping Parish Council(SIPC)

### Stedham Playground Improvement - Village Green Play Area

SIPC owns the Village Green (aka The Recreation Ground) located between The Street and The Alley in Stedham. Children's playground equipment is currently installed in the northern part of the field, as shown in the photograph below taken in August 2019. Permission from the Planning Department for the development as described in this document has already been granted

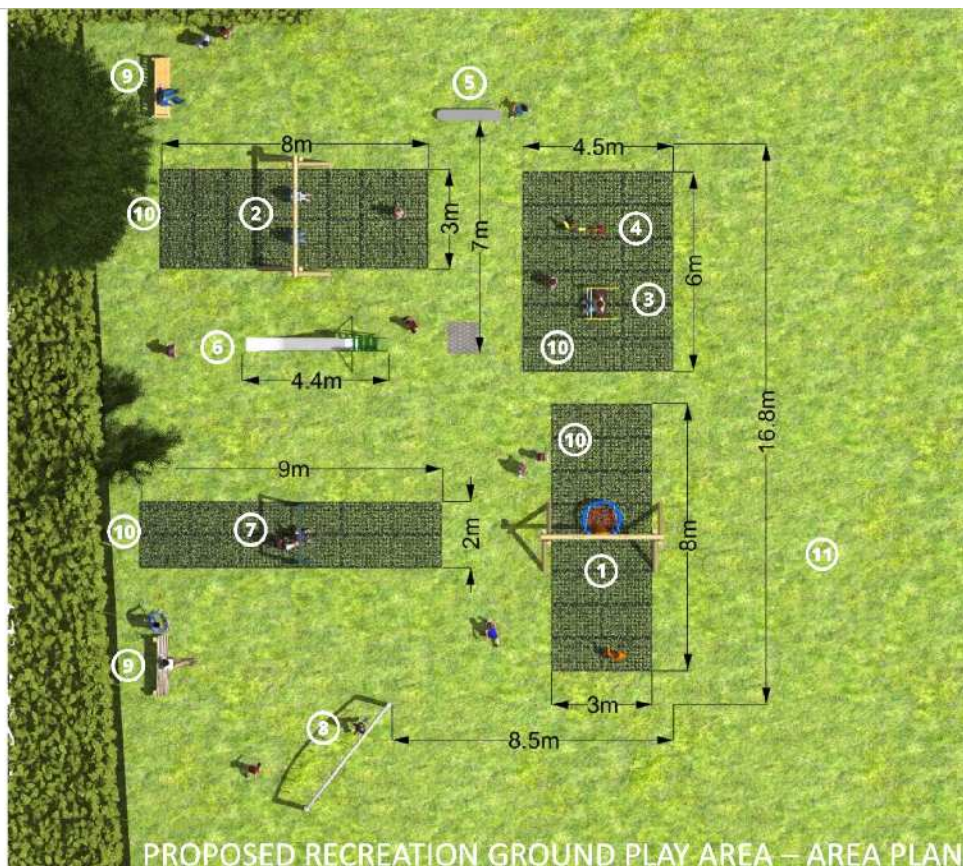

The Parish Council has completed repairing, replacing some of the older equipment and installing additional new equipment. The picture below illustrates the Council's original project proposal. The project started in early 2020 and was completed in June 2022.

A plan view of the area, on the following page, shows positions of all the equipment, both existing and new. The plan was originally split into 3 phases but was completed in 2, as described on the following page.
