<i>Page, para</i>	<i>We are concerned that the Polo Fields are not addressed in this plan. This is a major open space in the Parish with high vulnerability to development if Government pressures are applied for yet further building. I feel we need to incorporate this into the Plan in such a way as to try and protect it from potential development (of any kind).</i>

NB Is the Parish Council aware that the new NPPF framework proposals would mean that this plan was only valid for a period of two years. This proposal is very worrying and impacts on the excellent work done by the working group to produce this plan.

I suggest the Parish Council uses its contacts to point out this unreasonable change to the status of neighbourhood plans.
